## **NORTHBOUND DALE EVANS ON-RAMP CLOSES FOR 30 DAYS FOR I-15 WIDENING PROJECT**

**VICTORVILLE** – The California Department of Transportation (Caltrans) will close the northbound on-ramp at Dale Evans Parkway on Interstate 15 for 30 days beginning at 7 a.m., Thursday, July 1, 2004. This closure is necessary to continue construction for the mainline freeway-widening project, which will be complete in winter 2005.

The northbound on-ramp at Bell Mountain/Stoddard Wells Road has been reopened to accommodate detour traffic for this closure.

**Detour:**

- ◆ **Go west on Dale Evans Pkwy. to the southbound on-ramp, turn left to southbound I-15. Proceed to the southbound off-ramp at Bell Mountain/Stoddard Wells Rd., exit and turn left to the northbound on-ramp and proceed north on I-15.**

Your patience is appreciated during this construction project. Keep alert, pay attention and watch out for irresponsible drivers when entering a highway work zone. Please slow for the cone zone.
